Student No.: 0200097101

Dear Solomon Goldgraber Casspi  
Faculty of Aerospace Engineering

**Subject: Scholarship Confirmation - PhD**

Following the recommendation of the academic unit, you have been awarded a monthly scholarship.

Therefore, the following are the updated scholarships schedule for the academic year 2025-2026 :

| From date  | Until date | Amount of portions | Scholarship Name                  | Exemption from tuition |
|------------|------------|--------------------|-----------------------------------|------------------------|
| 01.10.2025 | 30.09.2026 | 6                  | Departmental Scholarship Portions | 100.00                 |

Receipt of a scholarship is subject to all the terms of the scholarship agreement which bears your signature, to the Graduate School regulations and to all of the publications appearing on the Graduate School website. Furthermore, it should be emphasized that:

- The requirement for presence (time spent) at Technion campus and the prohibition on being employed elsewhere as defined section 4 of the Scholarship Agreement and in accordance with the provisions below, are from the beginning of the month in which the scholarship is provided, even if the semester begins later on in the month.

- You have to be present on the Technion campus 5.00 days a week. The manner in which time is spent on campus will be determined according to the advisor's directives and academic requirements. You may not work at any position other than be employed by the Office for Academic Staff at Technion as a teaching assistant for up to 1,100 employments units unless you won/will win an external scholarship which include limitations regarding employment. In such a case, you have to abide by the limitations put by the external foundation as long as they do not contradict the Graduate School's guidelines.
- Notwithstanding the provisions, it is clarified that during the scholarship extension, employment will be according to the guidelines specified in the Scholarship Agreement and on the Graduate School website " Work during the extension period of a scholarship", unless specified differently in an email sent to you, or a future email to that effect.
- If following this notice you wish to stop receiving the scholarship or wish to decrease the number of scholarship portions, you should notify the Graduate Scholarship office immediately in writing (may be by email) or by phone 04-8293098 and to your Graduate Studies Coordinator at your Academic Unit as well.
- The minimum grade point average (GPA) required for receipt of a scholarship will be set by each academic unit and can be changed from time to time but will not be below 80 for the duration of the scholarship.
- It should be emphasized that awarding the scholarship, if any, is intended to enable to dedicate time for research and to assist in assuring completion of the degree requirements within the time frame of the scholarship.
- Please note, for any period in which no scholarship is awarded, tuition will be charged in

accordance with the regulations.

- **You need to submit the thesis to the Graduate School no later than 31.12.2027.**
- Any absence from Technion, in Israel and abroad, has to be pre-approved according to the Graduate School website: [Absence from Technion](#).
- The value of scholarship portion is posted on the Graduate School website.
- Payment of the monthly scholarship is at the beginning of the following month, i.e. The scholarship for October is paid on November 1st.
- For questions regarding scholarship payments, and to receive letters that include the scholarship amounts, please contact the Accounting Division at: Scholarships@Technion.ac.il.
- If you wish that the scholarship be paid to another bank account, please fill in the relevant details in the section "Graduate School – updated bank account for a monthly scholarship" in ["My Requests"](#).

For questions related to this letter please contact the Scholarship Office at:  
gradscholarships@technion.ac.il.

I wish you success in your studies.

Sincerely,

Prof. Uri Peskin

Dean of the Graduate School
